### **GENERAL INFORMATION**

 Each employer located or doing business within the City of Whitehall, Ohio, who employs one or more persons is required to withhold the tax of 2.5% from all employee compensation at the time of payment and shall remit tax to the City of Whitehall Income Tax Division. Note: As an employer, if the Medicare Wage Box is not the largest wage figure on the W-2 form, a written explanation is required.

#### Deposit requirements:

- Quarterly if less than \$200 per month is withheld, the deposit must be received by the City of Whitehall by the last day of the month following the end of a quarterly period.
- Monthly if more than \$200 but less than \$1,000 is withheld for a
  monthly period, the deposit must be received by the City of Whitehall by
  the 15th day of the following month.
- Semi-monthly if more than \$1,000 per month is withheld (or \$12,000 per year) the deposits must be received by the City of Whitehall within three banking days after the 15th and the last day of each month.
- 2. Delinquent returns and payments shall be subject to penalty and interest at the rate of 50% penalty and .583% per month, or fraction thereof, for interest.

- 3. The failure of any employer to receive or procure form WWQ-1 is not reasonable cause for failing to make payment and to file a return. If you temporarily discontinue paying wages but anticipate future wages, you must nevertheless file a return. If you no longer expect to pay wages subject to the tax reportable on this form, you must file a "final return." If at some future date you resume paying wages subject to Whitehall municipal income tax, notify this office to receive the proper forms. Failure to receive the required form does not relieve you of your obligations to file timely.
- 4. Any person, including corporations, partnerships, employers, estates and trusts who files 250 or more information returns of form W-2 for any calendar year must file these returns using magnetic media or such other process as determined acceptable to the Tax Commissioner. All requirements apply separately to both original and corrected forms.
- An annual reconciliation is required to be filed with copies of federal form W-2 according to IRS guidelines following each calendar year.
